Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant was advised that the JPN 10154284 reference provided on the IDS filed 07/07/2010 rendered claims 1, 6, 7, and 8 unpatentable. Applicant was advised that claim 4 distinguished over this reference and was given the opportunity to authorize an Examiner's Amendment. Applicant opted to receive the office action instead .
